ABOUT THE TASTE

Welcome to the Taste of Park Ridge! The legendary Park Ridge volunteer community has stepped up once again, as you will experience, in our annual sizzling summer celebration. Visit with friends and family in the sparkling ambience of Uptown Park Ridge. Enjoy our eclectic entertainment, the enlightening Canopies on Courtland Chamber of Commerce Business Expo, our spectacular children's attractions, in addition to our sensational senior programs. And don't forget the fabulous food. TOPR was envisioned as a genuine "Taste," offering mouth-watering morsels in moderate portions, thereby encouraging you to

sample as many varieties of edibles as possible. You will be truly impressed with the new food vendors joining us this year, as they provide an even greater level of gastronomic diversity, for which TOPR has consistently striven.

We fondly remember my Taste co-founder Dean T. Patras, who passed away just before last year's event. Both he and longtime Taste committee member John Warnimont, worked tirelessly every year to help to improve the fest. When you attend our 2017 extravaganza, we are certain that you will agree that we have. Have a terrific time at the Taste. We sincerely appreciate your attendance!
